Tallahassee, FL - August 25, 2021 - The official publication of The International Roofing Expo, Roofing Contractor Magazine, celebrates U.S. trades by announcing the 2020 Top 100 Roofing Contractors. Coming in at number 62, Florida roofing contractor, Tadlock Roofing, earns the title for the fifth consecutive year with \$30.2 million in revenue in 2020.

Sharing the title with 18 other Florida contractors, Tadlock Roofing proudly serves the sunshine state with six locations spanning the panhandle to central Florida with more than 300 employees. “Regardless of their placement on the list, the companies that stayed at the top indicated that even the biggest contractors in the industry had something to learn and apply to their core strengths in 2020,” says Roofing Contractor Magazine.

A true family owned and operated business that originated in 1980 in Tallahassee, FL, Tadlock Roofing’s CEO/President, Dale Tadlock, says “We are honored to be recognized as one of America’s Top 100 Roofing Contractors. 2020 presented unexpected and profound challenges for our industry and it’s through our ability to adapt quickly that we persevered.”

Roofing companies on the list distinguish themselves in a number of areas, including sales volume, customer service, professionalism, reputation, industry expertise and product offering.

The Florida roofing industry is showing signs of growth and evolving more rapidly than ever before regardless of skilled labor shortage, trade tensions, increases in insurance, healthcare and regulatory costs.
