Tadlock Roofing Receives Prestigious Awards at 2022 Owens Corning Platinum Conference

Local Roofing Contractor Recognized Nationally Among Industry Peers

Tallahassee, Florida - March 30, 2022 - As an Owens Corning Roofing Platinum Preferred Contractor, local roofing contractor, Tadlock Roofing was recognized at the 2022 Owens Corning Roofing Platinum Awards Conference. During the awards ceremony, Tadlock Roofing was honored with the Top Performer MVP Award, Service Excellence Award and Product Excellence Platinum Awards for the company's industry-leading contributions to the roofing category.

The industry recognition reflects Tadlock Roofing's continued focus on bringing a results-oriented, customer-driven approach to running the business and delivering trustworthy, dependable work for Pensacola, Tallahassee, Jacksonville, Orlando, Tampa and Sarasota, Florida homeowners.

"As the Founder/CEO of Tadlock Roofing since 1980, words cannot express what these awards mean to us. This industry accomplishment is owed to everyone on our team who are passionate about what they do to make a difference," said Dale Tadlock, Founder/CEO of Tadlock Roofing.

The Top Performer MVP Platinum Award recognizes the best overall performance in market leadership, business partnership, growth and sales and marketing practices. The Service Excellence Platinum Award recognizes excellence for providing a consistent, superior customer experience which is based on average customer survey responses and likely to recommend rates.

The Product Excellence Platinum Award recognizes the best overall System Selling performance for America's No. 1 most trusted and recognized roofing brand. Recipients of this award have helped homeowners understand the benefit of a complete Owens Corning roofing system to protect their home.

-MORE-

Proud members of the National Roofing Contractors Association, The Florida Roofing and Sheet Metal Association and The Better Business Bureau, Tadlock Roofing is dedicated to adopting better business practices, enhancing client relations and being at the forefront of leading technology.
