## **Fifth Annual ‘Raise the Roof’ for Boys Town North Florida Fundraising Event Secures \$45,400 in Two Hours**

Tallahassee, FL - October 28, 2022 - Celebrating the fifth year of Boys Town North Florida’s pre-imminent fall fundraising event, ‘Raise the Roof,’ the organization secured \$45,400 in two hours with the support of title sponsor, Tadlock Roofing, community members, and business owners alike.

To put these numbers into perspective, the annual cost of one home is \$80,000. This pays for groceries, utilities, clothing, educational assistance, family outings, etc.

Since the fundraising event’s inception, local roofing contractor, Tadlock Roofing, has served as the presenting sponsor. This year, Tadlock Roofing committed to donating \$5,000 and surprised the board and members of Boys Town North Florida with an additional \$5,000 donation, bringing the total to \$10,000. Tadlock Roofing Founder and President, Dale Tadlock, and his family know first-hand the support Boys Town North Florida provides for a family in need of professional guidance.

“As a family, we have dedicated our lives to raising our three biological and four adopted children. There was a time, in his teens when our adopted son was facing behavioral issues and we sought professional help from Boys Town North Florida,” says Tadlock. “We are forever grateful for the healing their team did for our son and our family.”

Boys Town North Florida is changing the way America cares for children, families, and communities by providing and promoting an Integrated Continuum of Care that instills Boys Town values to strengthen body, mind, and spirit. For more than 100 years, Boys Town has given thousands of at-risk children the love, support, and education they need to succeed.

“Boys Town North Florida has a beautiful community of supporters who went above and beyond,” says Boys Town North Florida Development Director, Margaret Farris. “Thank you Tadlock Roofing and our entire Boys Town family for your commitment to helping the most vulnerable children in our community.”
